DRAGON BALL Z: Resurrection 'F'
"DRAGON BALL" never ever ends... even after 20 years after the comic series' finale at "Weekly Shonen JUMP", "DRAGONBALL" is still our all-time favorite. And now, the latest feature film is back on screen!
For the first time, the original cartoonist Akira Toriyama wrote the script, bringing back the king of the galactic tyrant, Frieza as the enemy.
Toriyama commented that this film is "horrendous battle" and now his story sweeps the audience into the legend!
